Hundred and Sixteenth Annual Report

(from 01.04.2020 to 31.03.2021)

We have great pleasure in presenting before you the annual report of the Home highlighting our activities and accounts for the year 2020-21. With hopes, aspirations and desire to achieve new heights, we have completed our work in the year 2020-21 which proved to be a tough one because of Covid-19 Pandemic which has devastated our country for nearly 15 months impacting lakhs & lakhs of people with heavy casualties. With Gurumaharaj's blessings, we have passed through the year without any major hurdle and we carried out all our activities as per the government pandemic guidelines. Though we missed the physical presence of the students, the classes were conducted online. The important events like Akshya Tritiya, Navarathri Utsav and Home Day were celebrated with minimum number of physical participants. The events were streamed live through Home's YouTube channel for the benefit of old students, well wishers and devotees.

We solicit your continued support and guidance in future also. During the year under review, the Home has embarked on inculcating character oriented education to its students and also rural development and welfare activities in some of the slums in Chennai and backward villages in Thiruvallur, and Chengalpattu Districts in addition to relief activities carried out for the needy during covid-19 pandemic.

RAMAKRISHNA MATH AND RAMAKRISHNA MISSION

Sri Ramakrishna, whose noble name this institution bears, was born in 1836 at Kamarpukur village in West Bengal. He lived for just 50 years but during this short period he became the harbinger of world peace. Being the greatest of Divine Incarnations, (Avataara varishtha – Swami Vivekananda) Sri Ramakrishna blessed us all with the 'Universal Religion' based on love and harmony and demonstrated the Rishi – Ideal - "As many faiths - so many paths to reach God". Several brilliant young men were attracted to him and became his ardent disciples. After this great master attained Mahasamadhi,

his disciples led by the illustrious son of India, Swami Vivekananda, organised the Ramakrishna Math and Ramakrishna Mission with their Headquarters at Belur in Howrah Dist, West Bengal. Both the Math and Mission gradually extended their spheres of activities resulting in a number of branches coming into existence in different parts of the country and abroad.

Though both the Math and Mission take up charitable and philanthropic activities, the Math lays emphasis on spirituality and preaching, while the Mission is wedded mainly to social welfare activities like educational, medical, distress relief and rehabilitation activities, guided by the teachings of Sri Ramakrishna, Holy Mother Sri Sarada Devi and Swami Vivekananda who taught the world that service to fellow beings is service to GOD.

Mahasamadhi of Srimat Swami Vagishanandaji Maharaj

Srimat Swami Vagishanandaji Maharaj, the senior Vice President of the Ramakrishna Order, had attained the lotus feet of Guru Maharaj on 12-03-2021. He was elected as Vice president of the order in the year 2014 along with the office of the head of Cossipore Math. Earlier he had served in various branches of the Math and Mission. In 1990, he was appointed as trustee of Ramakrishna Math and a member of the governing body of the Ramakrishna Mission. He had given mantra diksha to thousands of devotees.

Ramakrishna Mission Students' Home – Origin and Growth

Swami Ramakrishnananda, a direct disciple of Bhagawan Sri Ramakrishna, was sent by Swami Vivekananda to then Madras to spread the message of Sri Ramakrishna in the South. After starting the Math in Chennai, he

felt the necessity for an orphanage where free boarding and lodging could be provided for orphan and destitute students. With his blessings and at his behest Sri C. Ramaswami Iyengar, an ardent devotee of Swami Rama krishnananda, started the Home on the 17 February 1905 with 7 orphan boys in a small building in Mylapore, given free of rent by Dr. M.C.Nanjunda Rao. It was shifted afterwards from one rented building to another to accommodate more and more boys.

In 1916, Sri S.G.Srinivasachariar the then District Munsiff made a generous gift of a valuable building site of 15 grounds in Sullivan Garden in Mylapore to the Home. Later, the adjoining piece of 11 grounds was acquired. Thanks to the pioneering efforts of the indefatigable C. Ramasamy Iyengar a massive building was constructed on the lands. Swami Brahmananda, the spiritual son of Sri Ramakrishna, laid the foundation stone for this building on 6 May 1917, Buddha Pournima, the birthday of Lord Buddha and also he inaugurated the new building after four years on Akshya Tritiya day on 10 May 1921.

The Home was formally affiliated to the Ramakrishna Mission, Belur Math in 1918. After Ramaswamy Iyengar's death in 1932, his cousin Ramanu jachariar took over as Secretary of the Home. During his stewardship the Home grew from strength to strength. The number of boys admitted in the Home increased to 295 as on 1955.

The Home is one of the earliest educational institutions of the Ramakrishna Mission and almost all educational institutions of the Mission in erstwhile Madras city have grown under its fostering care in their early years.

Initially the idea was to provide free boarding and lodging for destitute and orphan boys allowing them to have their education in a nearby school. Later for a fuller realization of the Gurukula ideal, a **Residential High School** was started in 1922 in the Home where the Home and the school would form part of the integral entity and the teacher and pupils would live together.

Plans were prepared for a separate building for the High School adjoining the Home premises. The Management approached the Government for help. The Government agreed to share more than half the cost of building. The Nattukottai Nagarathar donated Rs.83,886/-. Accordingly the school block was named “Nattukottai Nagarathar Vidyalaya” and it started functioning from 1922 within the Home campus.

The Residential High School section which was temporarily shifted to Uthiramerur in 1942 and subsequently to Athur near Chengalpattu during Second World War was shifted back to Madras and has been functioning in the Home premises from 1958 onwards.

Vocational training for the School students was started and later developed into a **Residential Technical Institute** imparting training in Automobile Engineering from 1932 onwards; initially this Licentiate in Automobile Engineering (LAE) diploma course was for a five year period and as per Govt’s directive this course was later changed as 3 year diploma course from 1949 onwards. In the year 1958 Govt of India gave permission for starting additional diploma course in Mechanical Engineering (DME). When DME was started in 1959 as per the advice of AICTE, full time LAE course was replaced by post diploma course of 18 months duration after DME. However this arrangement was stopped after few years and DME course alone was in existence.

To commemorate the centenary of the Home in the year 2005, two new diploma courses have been started, viz., Diploma in Automobile Engineering and Diploma in Computer Engineering so that the Home can serve more number of orphan and destitute boys. The Technical Institute has now been designated as a full-fledged **Polytechnic College**.

College Section: The Home had provided free boarding and lodging facilities to deserving boys studying in various colleges in Chennai. At present students studying in Vivekananda College are given admission.

A non-residential **Centenary Primary School** was started in the year 1936 to mark the birth centenary of Sri Ramakrishna. It serves mainly the poorer children of the locality. The Home thus runs 3 educational institutions, which are the Residential High School, Residential Polytechnic College and non-residential Centenary Primary School.

Vocational Training Centre

TALLY Training: With the aim of enabling the unemployed youth to find suitable employment and impart skills to the unskilled workforce, our Home is imparting free short term 3 months training in accounting software, Tally-ERP course. This is being done with the financial support of HCL Foundation. Started in the year 2014, we have so far trained around 2025 students of different age groups.

About 9400 students have been benefited by the facilities provided by the Home. For carrying out its activities, the Home entirely depends upon public donations and it hopes to continue its silent work with the help and unflinching support of its friends, well wishers and old students.

The total number of students in the Home this year is 630. Section wise details are given below: -

Care of the Inmates under Gurukula System of Education:

All the inmates are under the care of monastic wardens and ward masters. The teachers live in the staff quarters in the Home campus (east) and guide the activities of the students. This Gurukula system of education enables the students to excel in all round development of their character and talent.

Special emphasis is laid on character building and harmonious development of the body, mind and heart. The boys get up early and do yoga and physical exercises between 5.00 and 5.30 a.m. The Home has a gymnasium. The senior and junior boys have separate prayer halls where they perform puja and prayer with devotional songs, Vedic and Gita chanting every morning and evening.

Almost all the maintenance activities in the Home, like cleaning, washing, upkeep of the surroundings, serving of food in the dining halls, maintenance of the gardens, management of the stores, maintenance of electrical installations, computers and water pumps, library management etc., are carried out by the boys themselves under the overall supervision of the wardens and teachers. This helps them to develop respect for manual work and realize the dignity of labour.

Special care is paid to the health of the inmates. Boys are given nutritious food along with milk every morning and night. The Home has medical wards to accommodate boys who fall sick. Two doctors regularly visit the Home and attend to the sick boys. Boys carry out many of the attendant duties in caring for the sick and in the process get training in health care. The Charitable Dispensary attached to Sri Ramakrishna Math, Mylapore and a nearby hospital are giving treatment to our boys in times of necessity. Serious cases are referred to local Government hospitals (Royapettah etc). Home has also organized periodical general check-up, eye check-up, skin check-up, dental check-up and others for the benefit of our students.

Teaching staff supervise the study of their respective wards during study hours and provide guidance and coaching whenever necessary.

Special coaching is provided for High School students every day between 3.30 and 4.30 p.m. In well equipped laboratories and workshops in the Polytechnic College, our lecturers train the students in fundamental concepts as well as cutting edge technologies in every subject. This coupled with soft skills and communications training and life skills training (moral values education) enable our students to get better jobs in the industries.

To encourage talent amongst the students, various competitions (including Sports and Games) are conducted and prizes for the winners and general proficiency are given on the Home Day.

The Home has a well-equipped library separately for High School and Polytechnic College with books on various subjects, suited to various age groups of the inmates. Libraries get a number of periodicals. Boys are encouraged to spend time in the libraries.

The Home receives the following newspapers and periodicals on a complimentary basis: The Hindu - 2 copies; The Hindu Tamil Edition - 2 copies; Dina Thanthi - 1 copy; New Indian Express - 1 copy; Dinamalar - 1 copy; Dinamani - 1 copy.

We also subscribe to the students' editions of Times of India and Pattam (Dinamalar Tamil edition).

Periodicals

The Home receives many periodicals regularly at free of cost in different languages such as Tamil, English, Hindi, Telugu and Kannada and we thank all the publishers for their kind gesture.

Both the senior and junior wings have Television sets with restricted access. The boys watch educational, cultural, sports and games and news programs and selected programs of entertainment.

Moral Instruction Classes

Along with the regular curriculum, our Home is imparting man making and character building education to the students as envisaged by Swami Vivekananda. Value Based moral instructions are being given through weekly discourses highlighting teachings of Sri Ramakrishna, Holy Mother Sarada Devi, Swami Vivekananda and many other saintly personalities on Fridays, Saturdays and Sundays.

Important Visitors to the Home

20) **Covid-19 Pandemic relief work during the year:**

The spread of Covid-19 across the world continues to affect all of us. Tackling Covid-19 is the biggest challenge the world had to face in recent times with most countries infected by the thousands.

As India too went under lock-down to help contain this highly infectious Covid-19, there were people from all walks of life getting affected both financially and emotionally. The most affected of them are the daily-wagers, the homeless and the underserved communities.

We have distributed the following items to 10404 daily-wage earning families from the lowest strata of society (majority of them are irula tribal and SC families):

The Home had distributed 47654 kgs varieties of dals, 19289 kg sugar, 15574 kg rice, 10256 kg flour, 10070 litres edible oil, 10010 kg salt, 9712.5 kg vermicelli, 4995 kg semolina, 4992kg assorted spices, 3125 kg ragi flour, 180 kg soybeans, 181kg tamarind, 262 pkts biscuit, 2344kg vegetables, tea 11.2kg and 4650 metres of cloth among 10404 daily wager families in 22 Districts of Tamil nadu and 1 union territory (Madurai, Trichy, Virudhunagar, Tirupur, Ooty, Villupuram, Kallakurichi, Ranipet, Cuddalore, Thiruvarur, Chennai, Krishnagiri, Erode, Dharmapuri, Pudukottai, Kanchipuram, Chengalpattu, Thiruvallur, Perambalur, Tiruvannamalai, Thanjavur, Vellore and Union Territory of Puducherry).

6486 nos soap, 3024 nos. of toothpaste, 100 shampoo sachets, 50 bottles of dettol were also distributed.

24788 face masks, 55 litres sanitizer, 100 notebooks and 2 thermal scanners to Government Hospitals, PHCs and Govt. offices in various districts of Tamilnadu from 28 March to 10 May 2020.

21) **Nivar Cyclone Relief** : During Nov-Dec 2020, our Home with the support of the volunteers were able to serve 184 affected families in West Tambaram area and 422 affected families in interior villages of Chidambaram district by distributing dry ration materials worth of Rs.1000/- to each family.

22) Rural Development and welfare activities:

Apart from the regular service activities, our Home has taken the initiative to improve the health, hygiene and literacy in rural areas in Tiruvallur and Chengalpattu Districts for the benefit of children from poor & downtrodden families. With the Financial support from HCL Foundation, the following service activities are carried out with the support of our Old Boys Association, Chennai Chapter.

- a) **Seven Free Tuition Centers for backward students at 5 locations in and around Chennai in the villages:** Madayambakkam, Thathaimanji, Poovalambedu, Ennore and Kallur. Total Beneficiaries – 360 students.

- b) **General Medical Camps at 2 locations in 2 villages:**

Due to Covid 19 Pandemic lockdown, the planned preventive care medical camps could not be conducted as per original schedule in this year. Due to request and demand from the local village people, two camps were conducted in Thathaimanji and Poovalambedu with the guidance and directions of the Chief Medical Officer, Ponneri Government Hospital.

- c) **Old Boys Association** has donated new dresses and sweets to all the children (around 550) in tuition centers (including tuition centers managed by the recent batches old boys) worth of around 2.25 lakhs.
- d) As part of the new program, “serve while you study” implemented for the final year Polytechnic college student, a new tuition center at Devaneri village near Karanodai was inaugurated on National Youth day, 12-Jan-2021. This will be managed by the final year outgoing polytechnic students with the mentorship of silver jubilee batch (1996 passed out) old students.

23) Miscellaneous

Satsang Activities: We are continuing the monthly Satsang through online at the residences of old students for almost an year because of covid-19 lockdown. Aarthi from the Students Home, Bhajan, reading of Gospel of Sri Ramakrishna, Spiritual talk by monks, Archanai, Naivedyam and Arati at respective residences were the features of these Satsang meetings. A total of six such satsang meetings were conducted.

We duly acknowledge the various types of help rendered by different agencies for running this institution. We convey our deep sense of gratitude to all our friends and well-wishers and old students for their valuable patronage and we look forward to their continued support in the future too. The **detailed**

list of all donors is furnished in this annual report separately. The Home also wishes to record its sincere thanks to all its monastic members who are attached to the Home for their whole hearted involvement in the day-to-day activities of this Institution.

CONCLUSION

The Home has completed 116 years of useful service to the poorer sections of student community. From its inception, it has been maintained with the voluntary contributions/donations received from the philanthropic minded public, well wishers, financial institutions and ex-students of the Home. Even today if the Home is in a position to continue its humanitarian work of helping orphan and destitute students, it is mainly because of the generous help and patronage extended to it unflinchingly by the public.

Our present performance is inspired by our past history and we shall strive to give our best with the wholehearted support from all.

HOME UNITS:

(A) RAMAKRISHNA MISSION POLYTECHNIC COLLEGE (Residential)

Telephone: 044-24992537; email: principaloffice@rkmshome.org

Brief History of the Institution

In the early part of life of the Home, it was realized that students having only academic qualifications found it difficult to get a job soon after their completion of studies. To help them secure some manual skills, manual training was introduced as part of the High School curriculum. This comprised of carpentry, weaving etc.

To help boys who could not even complete their school studies, workshop practices such as smithy and foundry were introduced as early as 1925. In 1930, as part of the silver jubilee celebrations of the Home, a workshop was started and inaugurated by the then Governor of Madras Presidency, Sir Frederic Stanley.

In 1932, we secured permission from the Govt. of Madras and started a licentiate course in Automobile Engineering (LAE). Initially it was a five-year course and the Home students who secured this diploma were in great demand in the Department of Transportation not only in the then Madras Presidency but all over India. As per Govt.'s directive this course was changed as three year diploma course from 1949 onwards.

In the year 1958, Govt. of India gave permission for starting additional diploma course in Mechanical Engineering. When this course (DME) was started in 1959 as per the advice of All India Council of Technical Education (AICTE), LAE course was replaced by post diploma course of 18 months duration after DME. However the full time LAE course was totally stopped in 1962-63 as per the advice of AICTE.

In 2005, as part of the centenary celebrations of the Home it was decided to introduce 2 more three year diploma courses,

DAE (Diploma in Automobile Engineering) and DCE (Diploma in Computer Engineering) besides the then existing DME, with the permission of the Government and AICTE.

The Government permitted DAE & DCE courses as unaided courses. The sanctioned strength for each course is 40. In addition, 10% more are allowed to be filled by lateral entry (2nd year) from 10+2 qualified applicants at present.

Because of the starting of multiple diploma courses, what was called as Ramakrishna Mission Technical Institute' has been renamed as 'Ramakrishna Mission Polytechnic College' in the year 2007.

Admission

Total students strength in three courses for this year is 375. Every year 120 students in the first year and 12 students in the second year (Lateral Entry) are admitted. Orphan/destitute students are given preference. While admitting students in the Polytechnic College, students from our Residential High School who successfully completed the SSLC examinations are given first preference.

The Governing Council

A Governing Council which is constituted to exercise supervisory control over the day-to-day affairs of Polytechnic College:

**(B) RAMAKRISHNA MISSION
RESIDENTIAL HIGH SCHOOL, CHENNAI - 600 004.**

Telephone: 044- 2499 0264; email: highschool@rkmsHOME.org

The High School was started in the year 1922 and initially housed in Nattukkottai Nagarathar Building (now in Vivekananda College campus). In 1942 during world war time, the High School was shifted to Uthiramerur in Kanchipuram district and later to Athur near Chengalpattu. It was shifted back to the Home premises in 1958.

The High School section has five classes from VI std to X std, the medium of instruction is Tamil and recognized by the State Education Department.

At present there are five teaching staff including Headmaster, one non teaching staff under govt. grant-in-aid category while seven teaching staff and one non teaching staff are under self supporting category.

During 2020-21 academic year, 40 students appeared for SSLC Board exams. Due to Covid pandemic situation, the final exam was not conducted by the government of Tamilnadu and guidelines were given by the government for the calculation of Marks. Master. Nivash has scored 412 out of 500. Out of 40 students 10 students have obtained 1st class, 7 students have obtained 2nd class and the remaining 23 students have obtained 3rd class.

Admission and Strength: Admissions are made in the VI standard on the basis of poverty cum merit. As soon as applications are received from the applicants, physical verification at their native places is done by the teachers regarding genuineness of the applicant’s status and the committee headed by the Secretary Swamiji finalizes the admission.

During this year, 47 students were admitted in 6th Std, one student in 7th Std and one student in 9th Std. As on 31-03-2021, the total students strength is 243 (6th Std -47, 7th std-55, 8th std -52, 9th std – 49 and 10th std-40). Break-up: OC – 0, BC – 114, MBC – 70, DNC – 5, SC-46, SCA-2, ST –6.

Orientation classes were conducted for 6th standard students on 20-Sep-2020.

For students with Dyslexia, special classes are being organized in the Home through a special teacher. Three students from 6th & 7th standards are given special training.

Smart Class Rooms: Most of our class rooms are equipped with smart boards, ultra short through projectors, PCs with broadband internet connections so that the students' learning is made interesting and beneficial because of creative teaching methods.

Computer Laboratory: Students trained in the well equipped laboratory (25 PCs and 30 Tablet PCs with UPS power supply) during Saturday, Sundays & their computer lab periods. Here students trained in basics of the computer like word, excel, browsing, drawing, typing, using emails etc.

Mathematics Laboratory: To get easy understanding of the concepts of mathematics, students are given training in the lab. Models and Modules available in the lab help the students to practically explore and understand the mathematical concepts.

Science Park: To practically understand the concepts of science, various science modules have been setup in the school campus. Students can explore and understand the concepts on their own. Children coming from other schools are also benefitted by seeing these modules.

Library: A library with thousands of books provide students an opportunity to explore in all fields, develop their general knowledge apart from their subjects.

Extra Curricular Activities:

Playground: Sports and Games is an important activity for the boys to maintain their health and fitness. Training is given in various sports and games (outdoor and indoor).

The following clubs were functioning in the School:

Pasumai Padai, Science club, Junior Red Cross, Tamil cultural club, English Club. These clubs conduct various competitions like drawing, essay writing, speech & conduct awareness programs to develop the creativity among the students.

Students Police Cadet: As per the instructions of the Government, Student Police (SPC) was formed in the school. This project aims to inculcate in children respect for the law, discipline, civic sense, empathy for the vulnerable sections of the society. Our cadets participated in various awareness programmes.

Green Cadet Corps unit of our Residential High School was engaged in maintaining greenery of our Home & proper waste management by segregating and disposing in a proper way.

Band Troupe: The school has a full-fledged band set with various instruments. Our boys are given regular training on the weekends. They play during all major events in the Home.

Kailaya Vadyam, one of the oldest musical arts in Tamilnadu, used to play in the temples during festival times. Weekly three days experts are giving training to our boys. Our troupe performed during processions of Guru Maharaj, Annai Sarada Devi, Swami Vivekananda & Swami Ramakrishnananda jayanthi days. Apart from these, the troupe played during important functions of the Students' Home.

Kalari Payattu Training: In order to preserve & develop this ancient skill, some of our students were given training in Kalaripayatu by Kalariyil Kshatriya team on Saturdays & Sundays.

Harmonium Class: A qualified music teacher is taking harmonium classes for our school students for 3 days per week. Nearly 15 students are attending this class.

Tabala: A qualified artist is conducting tabala classes for our school students during the weekends.

Yoga Training: Every morning our students are doing Yogasanas. This training class is of 20 minutes duration. This helps the students to maintain good physical and mental health, increase athletic performance etc.

Spiritual & Moral Classes: On every Fridays moral classes are conducted for about one hour through online. Sadhus from Students' Home & teachers conducted the classes. Students also attended spiritual classes by sadhus visiting from other centres and blessed by them.

On 4-Feb-2021, Swami Vivekananda Jayanthi was celebrated and

our students conducted a “ Patti Mandram” on the following Topic – “ $\frac{1}{x} + \frac{1}{y} = \frac{1}{z}$ ” The participants were (A.Karthikeyan, S JaiSubash, M. Akash, Durgacharan, R. Roshan Akthar and Gunasri)

On 15-03-2021, Gurumaharaj Jayanthi was celebrated with a cultural

program on “Karpagatharuve Gadharare Varugave” which includes dance by Durgalakshmi, Gunasri, Sudha and Kaushika, bhajan by Harish, role-play by Thrmal, Tamilini and speech by Gunasri and Roshan Akthar.

(D) Vocational Training Centre

Tally Training Center: Our Home has organized free Tally 9 ERP training classes for nearly 65 batches benefitting more than 2000 students till the end of this year. During this year due to the covid-19 pandemic, the last few batches of classes were conducted through online. Due to more demand, we are planning to have both online and offline classes and more students are expected to undergo the above training. We are extremely thankful to HCL Foundation and Sri Siva Kumar, Chartered Accountant, Karra & Co, and honorary course director for all the initiative they have extended so far. We are also thankful to Sri R.S.Narayana Babu, Honorary Course Coordinator for helping us in preparing course syllabus etc.
